

FENWICK FAMILY YARD SALE

139 N. Fifth Street – Zanesville

Thursday, October 8

Friday, October 9

Saturday, October 10

The Fenwick Family Yard Sale benefits the scholarship fund for Bishop Fenwick School. **This is a consignment sale that sells gently used house wares, furniture, holiday & home décor, clothing, baby items, toys and much more.**

HOW IT WORKS:

- Contact a committee member to receive a seller number.
- Price and tag your own items, per our tagging specifications, drop them off and they will be sold at the sale.
- After the sale, you may pick up the items that did not sell, or they can be donated to charity.
- You will then get a check for 80% of all the items that did sell (minus a \$5 sellers fee which helps with advertising costs), along with the tags so you know what sold.
- The remaining 20% will be donated to the Fenwick scholarship fund.

Fenwick & Rosecrans families can apply their 80% profit check directly to their tuition payment.

You do not have to have a student at Fenwick or Rosecrans to participate in the sale.
We gladly welcome your families and friends to help with this fundraiser.

GENERAL INSTRUCTIONS:

- All items must be in gently used, clean and good working condition.
- If an item runs with batteries then they must be in the item. (batteries may be used)
- Light bulbs should be included with lamps.
- All fabric items including clothing must be on a hanger with the hook of the hanger to the left (like a question mark). These items sell much better when they are appropriately displayed in an organized manner on racks.
- Shoes must be attached to each other. Clear bags are fine, shoelaces tied together, etc.
- Items with multiple pieces must be together either in a box, tote, clear bag, etc. The tag must be clearly marked as to the contents and their condition.
- Any flaws (ex: 1 plate with a chip) must be noted.
- All electrical appliances must be clean and in working condition.
- All lawn equipment must run or state otherwise on the tag.

The committee reserves the right to refuse any item that is not in the above conditions.

Fenwick Family Yard Sale Tagging Example

(Please use 1/2 of a 3" x 5" index card)

* ← Seller #	Size → *
Description (as detailed as possible)	
A Star in this corner = Include item in 1/2 price sale Cutting this corner off = <u>DO NOT</u> include item in 1/2 price sale	
↓ *	Price → *

When tagging clothing, please use a Safety Pin and attach the price tag to the front, left upper corner of the item.

TAGGING INSTRUCTIONS:

1. Use ½ of a 3x5 index card (white or colored) to tag all items. Only index cards are accepted, **no paper tags**. Use **safety pins** to attach tags to items made of fabric such as draperies, bedding, linens, clothing, etc. to the front left (the right as you look at it) and packing tape to attach to other items. Tags can also be tied with ribbon or string to furniture or other items in which tape may damage.
2. Place seller number in top left corner, size in top right corner, price in bottom right corner and a description in the center of the card. Make the description enough to rematch your card to your item if it should fall off. Place a star in the lower left corner if you want your item to be in the ½ price sale on Saturday. If you do not want your item to be ½ price on Saturday, cut off the lower left corner to avoid a mix-up.
3. **Prices must be in increments of \$.50 ONLY** to avoid cashier headaches!

DROP OFF INSTRUCTIONS:

- ☺ All sellers are responsible to put their items in the appropriate location at the sale.
